Benchmark indicators show us how the University is progressing in all spheres of endeavour.
NUMBER OF STUDENTS AND TEACHING ACTIVITIES

STUDENT POPULATION
Université Laval has close to 43,000 registered students as of the fall 2018 session, making it the second biggest university centre in Québec and one of Canada’s seven largest universities.

A few figures for fall 2018

- **FULL TIME**
  - 69%

- **GRADUATE LEVEL**
  - 26%

- **MALE/FEMALE RATIO**
  - 41/59

MEDICAL RESIDENTS
878

POSTDOCTORAL FELLOWS
314

Number of students per faculty or educational unit (fall 2018 session)
DISTANCE LEARNING

Proportion of students registered in at least one distance education or hybrid educational activity (per university year)

- 2013-2014: 56.1%
- 2014-2015: 60.5%
- 2015-2016: 64.4%
- 2016-2017: 67.7%
- 2017-2018: 70.5%

GRADUATION

Number of degrees and other certificates of completion awarded (university year)

- 2013-2014: 11,453
- 2014-2015: 11,744
- 2015-2016: 12,818
- 2016-2017: 12,366
- 2017-2018: 12,632

Job placement and further education rates among graduates by class year (%)

- Bachelor’s: 2009: 33.2%, 2011: 36.8%, 2013: 38.2%, 2015: 39.6%
- Master’s: 2009: 33.2%, 2011: 36.8%, 2013: 38.2%, 2015: 39.6%

INTERNATIONALIZATION

STUDENTS FROM OTHER COUNTRIES

International students come from over 140 different countries, principally France, French-language African countries, China, and Iran.

Leading countries of origin:
- France: 33.2%
- Côte d’Ivoire: 4.6%
- Morocco: 5.5%
- Tunisia: 3.9%
- Cameroon: 4.8%
STUDENT MOBILITY
Université Laval remains a Québec leader in student mobility. Although Université Laval students make up just 14% of all the province’s university students, 21% of all 2017–2018 PMICSE grants (Québec mobility and short-term mobility grants) went to Université Laval students.

**RESEARCH FUNDING**

The latest Research Infosource rankings have Université Laval in eighth position among Canadian universities for research income.

![Research income chart]

**SUSTAINABILITY**

**GREENHOUSE-GAS EMISSIONS AND ENVIRONMENTAL FOOTPRINT**

Having in 2015 become Canada’s first voluntarily carbon-neutral university, Université Laval has emerged as a model living community. Its renewed gold-level STARS (Sustainability Tracking Assessment & Rating System) accreditation further attests to its profound commitment to sustainability.

INCOME AND EXPENDITURES

Université Laval has maintained a balanced budget for many years.

**Income and expenditures in $millions (operating fund)**

- 2013-2014: Income = $620.815, Expenditures = $627.090
- 2015-2016: Income = $617.196, Expenditures = $615.623
- 2016-2017: Income = $625.703, Expenditures = $607.196
LIST OF INDICATORS

STUDENT POPULATION
Number of persons registered in accredited programs or unclassified studies, excluding auditors, visiting students, medical residents, and postdoctoral fellows.
Sources: Institutional data and Système de gestion des données sur l’effectif universitaire (GDEU), Ministère de l’Éducation et de l’Enseignement supérieur (MEES), fall session

FTE
Full-time equivalent student population, for purposes of Québec university funding.
Source: Système de gestion des données sur l’effectif universitaire (GDEU), Ministère de l’Éducation et de l’Enseignement supérieur (MEES)

DISTANCE LEARNING
Share of students registered in at least one distance-learning or classroom-distance hybrid activity in an academic year.
Source: Institutional data

DEGREES AWARDED
Number of degrees and other attestations awarded per academic year.
Source: Institutional data as of October 1

STUDENT JOB PLACEMENT AND FURTHER EDUCATION RATES
Percentage of graduating students finding employment and pursuing further studies by class year according to La Relance, a survey of graduates 20 months after receiving their degrees conducted every other year.
Source: Ministère de l’Éducation et de l’Enseignement supérieur (MEES)

INTERNATIONAL STUDENTS
Number and proportion of students with student visas or permanent resident status registered for the fall session.
Source: Système de gestion des données sur l’effectif universitaire (GDEU), Ministère de l’Éducation et de l’Enseignement supérieur (MEES), fall session

OUTBOUND STUDENT MOBILITY
Number of students who have been part of a student mobility program.
Sources: Institutional data (MoveOn) and Système de gestion des données sur l’effectif universitaire (GDEU), Ministère de l’Éducation et de l’Enseignement supérieur (MEES)

INBOUND STUDENT MOBILITY
Number of international students studying at Université Laval as part of a student mobility program.
Source: Système de gestion des données sur l’effectif universitaire (GDEU), Ministère de l’Éducation et de l’Enseignement supérieur (MEES)

INTERNATIONAL JOINT PUBLICATIONS
Academic publications (articles, research notes, and review papers) coauthored by regular or assistant Université Laval professors together with researchers from the private sector, hospitals, government, and other areas.
Source: Bibliometrics compiled by Observatoire des sciences et des technologies (OST), based on databases from Clarivate Analytics. Updated in November 2017.

PROFESSORS WITH QUALIFICATIONS FROM OUTSIDE QUÉBEC
Proportion of regular professors and researcher with academic appointment with at least one degree from outside Québec.
Source: Institutional data, October 1, 2017

RESEARCH FUNDING
Grants, contracts, and other contributions from any source (government ministries and agencies, private enterprise, and others).
Source: Université Laval financial statements for the Canadian Association of University Business Officers (CAUBO) and Statistics Canada; Research Infosource Rankings

RESEARCH INCOME BY SOURCE
Research income by funding source.
Source: Université Laval financial statements for the Canadian Association of University Business Officers (CAUBO) and Statistics Canada

RESEARCH PARTNERS
Number of different institutions whose researchers shared research grants with Université Laval researchers. Number of organizations and businesses that have contributed to at least one grant received by a Université Laval researcher.
Source: Système d’information sur la recherche à l’Université Laval (SIRUL)

GREENHOUSE-GAS EMISSIONS AND ENVIRONMENTAL FOOTPRINT
Measures environmental impact of net greenhouse-gas emissions, drinking-water consumption, and energy consumption relative to the number of full-time equivalent (FTE) students and staff.
Sources: Sustainability Report and institutional data

OVERALL STUDENT SATISFACTION
Index based on the results of two North American student surveys.
Sources: National Survey of Student Engagement (NSSE) and Canadian Graduate and Professional Student Survey (CGPSS), conducted every three years

INCOME AND EXPENDITURES
Amounts from the operating fund. Not fully based on generally accepted accounting principles (GAAP) and do not incorporate corrections required by GAAP. Expenditures include extraordinary items such as additional pension plan contributions.
Source: Institutional budgetary data from audited financial statements
