I commit to respecting the Université Laval Student Disciplinary Code (le [Règlement disciplinaire à l'intention des étudiants et étudiantes de l'Université Laval](#)).

To this end, I commit to:

- respecting all copyrights by providing in-text citations and, where necessary, indicating the source and enclosing in quotation marks all direct quotes “copied and pasted” from documents consulted (articles, books, web sites, etc.);
- doing the work on my own or, in the case of a team project, doing the work with only the members of my team;
- not consulting, using or copying the work, in whole or in part:
  - of someone currently taking the class;
  - of someone who took the class in the past;
- not having in my possession any unauthorized material during the exam;
- taking the exam alone, without the assistance of anyone else;
- submitting an original work that has not been submitted previously to another class (unless with prior written authorization from the teacher);
- submitting work that contains no falsified data, facts or information.
